Reverend Joseph E. Vamos  
Saint Michael Parish  
One Wilhelm Street  
Schererville, Indiana 46375

Dear Father Vamos:

This pictorial directory of Saint Michael Parish in Schererville should serve to strengthen the bond of unity among its parishioners. We pray this project helps to expand and brighten the spirit of Catholic Community life so that its potential for generating positive good can blossom prolifically much to everyone's delight.

As each family adds its particular piece to the Christian community mosaic entitled Saint Michael Parish, so also does the Parish add its specific piece to the grand mosaic as the people of God in the Church Universal.

As we rejoice during this Silver Jubilee Year of the Diocese of Gary and that of its first bishop, we are happily aware of the history of Saint Michael's Parish - now in its 108th Year. Dedicated men and women had the courage, the foresight and the solid faith which enabled them to establish Saint Michael Parish at no little sacrifice. The parish continues to produce dedicated men and women willing and eager to show their love for the Lord and for each other. May the daily demonstrations of this love keep bringing them closer to each other and ever nearer to the Lord and heaven's eternal bliss.

With prayerful best wishes and a most cordial blessing,

Devotedly yours in Christ,

*Andrew G. Grutka*

## PARISH HISTORY

The town of Schererville and the parish of St. Michael's share a main, similar root - the Scherer family. The town of Schererville was plotted and laid out in 1866 and was named for its founder, Nicolaus Scherer. The Scherer family and the other predominately German-Catholic families were forced to travel to Saint John, Turkey Creek, Crown Point or Dyer to participate in Catholic services since there was no place of worship for the Catholics of Schererville.

In 1873 a petition, edited by Mrs. Nicolaus (Francisca) Scherer, was presented to Bishop Dwenger of Fort Wayne requesting the formation of a parish in the town of Schererville. Somewhat reluctant, the prelate consented.

Nicolaus Scherer donated 4½ acres of land for the church and cemetery. A building committee was formed composed of John Austgen Jr., Mathias Miller, Joseph Newmann, Nicolaus Scherer, Bernard and Henry Schulte and Nicolaus Schutz. John Seberger supervised the fund raising and the erection of the church building.

The white framed structure, topped with a 100 foot spire, measured 45 x 90 feet and cost \$5,000. On September 29, 1874, the church was dedicated to St. Michael, the Archangel and was solemnly blessed by Bishop Dwenger.

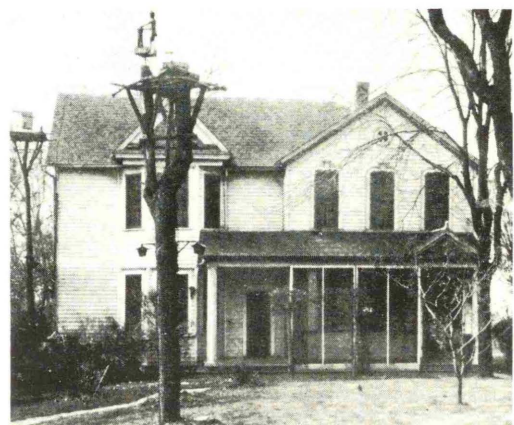

Original Church

Rev. Gottfried Kueng was appointed the first pastor of the new parish which was comprised of eighty families. The first baptism, that of Nicolaus Schutz, was recorded on October 11, 1874. The first funeral was that of Nicolaus Kobe on November 9, 1874, and the first wedding united Adam Schubert and Catharina Stephan on January 7, 1875. Prior to his resignation and return to his native Austria in 1876, Rev. Kueng observed the construction of a rectory. This first rectory, completed in 1875, was located near the southeast corner of the church and cost \$1,800.

Rev. John H. Bathe, a newly ordained priest, was appointed pastor in February of 1877. He remained for only five months and was replaced by Rev. Francis Xavier Deimel, originally from St. Martin's in Hanover Center. In 1879, poor health forced him to enter Alexian Hospital in St. Louis. He submitted his resignation to the bishop in 1881 and passed away November 11 of that same year. During his brief pastorate, he managed to reduce the parish debt and purchased the two tower bells that are currently being used.

Sanctuary

Rectory

On May 28, 1881, Rev. William Berg, ordained in Prussia in 1877, was appointed pastor. He took office on June 9. At the time of his arrival, the parish had a debt of \$2,350. Through his energetic efforts he was able to collect \$1,623 by visiting each home. By 1889 the parish had no debt.

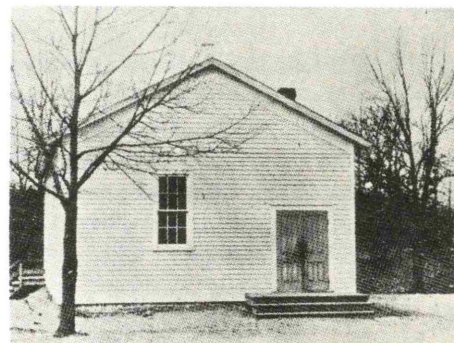

Epidemics of diphtheria and flu left their mark on the parish between 1874 and 1890. During this period of time 165 deaths were recorded with 85 of them being children under the age of twelve. Many of the deceased were laid to rest in the parish cemetery which was formally blessed by Bishop Rademaker on September 27, 1895.

On September 27, 1893, the cemetery played host to the single most tragic event in the parish history. Early on the morning of the twenty-seventh, Rev. Berg discovered that the Ciborium, the Sacred Hosts, and the altar cross and missal had been stolen. Investigation revealed vandalism to numerous tombstones and the remnants of the stolen articles had been destroyed by fire. The fire had been kindled with the wooden crosses that had marked the graves of innocent children. A day of penance was observed for many years in remembrance of this sad event.

Education for the parish children in the early days was provided at the village public school which was about one-half mile from the church. In 1886, two Franciscan Sisters of the Sacred Heart, Sisters Elizabeth and Josephine, were assigned to Scherer-ville to teach in the lower grades of the public school. In the fall of 1900 a 20 x 24 foot section of the old public school house was purchased for \$75. It became the first St. Michael's School. School opened with 42 pupils - the lower grades remaining at the public school. The following year a similar size addition to the school was made giving St. Michael's two classrooms which accomodated all of the parish children. Increased enrollment necessitated an additional two classrooms in 1908. Soon the old building became obsolete and a new brick school building, still occupied today, was erected in 1916. Its cost was \$34,000 and it was entirely paid for shortly after completion.

Cemetery

The first Sisters who came to Schererville lived in two rooms rented from Mr. Scherer. A few years later a converted 16 x 20 foot barn on a lot near the school served as the first convent. The cost of converting the barn into a residence for the Sisters was \$461. As the number of Sisters increased the small convent, even with its later addition, could not accommodate their needs and in 1914 the current convent was constructed at a cost of about \$6,000.

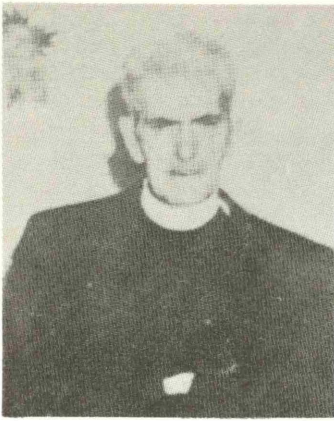

The parish roll in the early 1900's included the following names; Adler, Austgen, Backe, Berwanger, Beiriger, Bicker, Braun, Bone, Cope, Doffin, Dub, Erb, Gerlach, Gertziner, Govert, Grimmer, Hart, Harkenrider, Heil, Helfen, Hag, Hilbrich, Hohman, Jansen, Jung, Kerner, Kolling, Kuhn, Lustig, Lang, Laible, Lepper, Leinen, Mager, Margraf, Maas, Mang, Miller, Neuman, Neudorf, Osweiler, Peiper, Pinter, Redar, Reiplinger, Risch, Rohrmann, Rietmann, Scherer, Schiesser, Schiessle, Schubert, Schulte, Schilling, Seberger, Scholl, Schaefer, Schmitt, Schutz, Schweitzer, Schmal, Stephen, Steuer, Spitz, Theis, Thomas, Thiel, Treinen, Weis, Wehner and Wurtz.

The cemetery, with approximately 1100 people laid to rest in up to now, was consecrated in September 1895 by Bishop Rademacher. Its tombstones, many almost illegible because of nearly a century of weathering, read like a roll call of the parish and town founders and shapers. Adjoining the cemetery on its west side is a piece of property, willed by Mrs. Scherer, that was called the old "sandpit." This parcel of ground, with about eighteen burial lots, contained the sandhill that was subsequently transformed during the early twenties into a shrine in remembrance of the crime committed against the Holy Eucharist in 1893 as well as that of Christ's

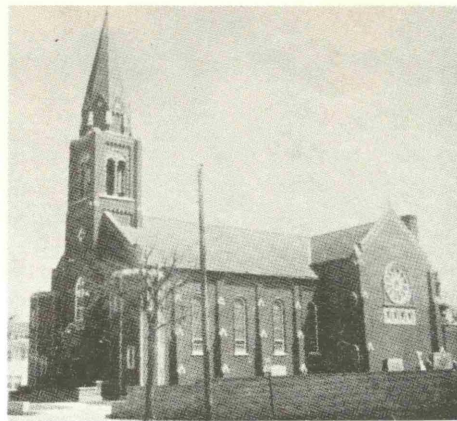

death. It was named Mount Calvary and was encircled with the stations of the Cross. Two grottos were constructed in the sides of the hill — the one on the north depicting Christ's agony in the Garden and the one on the south reflecting his Resurrection from the dead. The grottos, which had been closed off due to vandalism for many years, were renovated and reopened in 1980 under the leadership of Fr. Roy Beeching. Entombed at the top of Mount Calvary are Monsignor William Berg, his brother Fr. John Berg, Fr. Peter Biegel and Fr. Charles Scholl, the only priest native to St. Michael's Parish.

Bishop John Francis Noll elevated Fr. Berg to the rank of Domestic Prelate, with the title of Right Reverend Monsignor on May 29, 1927, in conjunction with his Golden Sacerdotal Jubilee. The year 1927 also found the parish with substantial building fund and the need for a new and larger church. Architectural drawings, prepared by Charles L. Wallace of Joliet, were accepted. John A. Mager, a resident and parishioner, was commissioned as the general contractor. Ground breaking ceremonies were held on October 25, 1927, and the corner stone was set in place May 20, 1928. The new St. Michael's church, today, more beautiful than ever, was dedicated on May 18, 1930.

It measures 125 feet in length, is 47 feet wide in the nave, 73 feet wide in the transept, has a 37 foot ceiling, is fitted with a 116 foot spire and has a seating capacity of approximately 500. The total expenditure, including the furnishings and the pipe organ, was just over \$97,000. The first baptism in the new church was that of Richard Joseph Govert on April 13, 1930. Alphonse Fetsch and Marie Seberger exchanged vows on April 26, 1930, becoming the first couple to be married in it.

**Sanctuary**

Monsignor Berg passed away on September 4, 1929, and was thus denied the pleasure of seeing his church building project completed. Rev. Leo Hildebrandt organized the funeral and cared for parish matters until October 4, 1929, when the bishop appointed Rev. Peter A. Biegel as pastor. Fr. Biegel's first annual report dated December 31, 1929, stated that the parish was composed of 90 families and had a school enrollment of 124 students. The parish was served by four nuns. Financially, the parish had a debt of \$32,000.

The parish, feeling the effects of the depression, grew slowly during the thirties. In 1935, it consisted of 117 families and by the year 1940 had grown to 134 families. In the next seven years the parish grew by only six families. However, after this period of very slow growth, more people started to make Schererville their home. By 1950 the number of parish families swelled to 183. Projected student enrollment for the 1954-55 school year clearly indicated that additional classroom space was needed. Archbishop Noll granted permission to proceed with a \$75,000 project that would provide four additional classrooms. Included would be lavatory facilities, enlargement of the auditorium and a principal's office. Ground was broken on July 11, 1954, and the building was first used in February, 1955.

Rev. William Piel was assigned as assistant pastor to the aging Fr. Biegel on June 8, 1956. Two years later Fr. Biegel retired and Rev. Timothy F. Doody was appointed administrator. Fr. Biegel celebrated his golden jubilee on June 14, 1959, and passed away on March 24 of the following year.

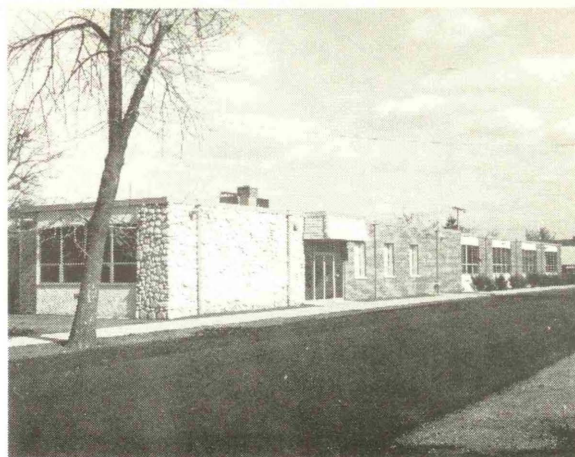

The late 50's and early 60's brought many changes and improvements. A new rectory was constructed on the corner of Wilhelm and Anna at a cost of \$20,000. It was first occupied by Fr. Doody in December of 1958 and is still home to our two priests today, Fr. Joseph Vamos and Fr. Roy Beeching. The old rectory was razed after Fr. Biegel's death. A stone wall was constructed along the northern edge of the cemetery and a watering system was installed. Mt. Calvary was fitted with a new stone altar as well as new monuments in memory of the departed priests entombed at its top. Among the improvements to the school was its fire evacuation chute, a unique remembrance of the past and still in use today. In 1963, full seating capacity in the church was achieved with the installation of pews in both transepts.

**Rev. Bernard Shank**

**1968 Addition**

The college division of the Capuchin seminary was transferred within the boundaries of the parish in June of 1959 and the bishop approved their assistance in parish matters. Fr. Nelson Hart was their first delegate; he was succeeded by Fr. Juan Florez and finally by Fr. Campion Baer in 1963.

Rev. Bernard Shank was appointed to replace Fr. Doody on April 3, 1964. Ordained in 1942, he celebrated his 25th anniversary in May of 1967.

During the pastorate of Father Shank, the parish incurred moderate growth reaching approximately 1100 families at the time of his transfer to St. Stephens in Merrillville. During his pastorate he oversaw the permanent building of the confessionals at the rear of the church, completion of the parking lot on the south side of the church and, in 1972, the grading of the property just south of the church and cemetery, now used for the football field and playground area. Also, during his time, beginning on August 9, 1968, the latest completed addition to the school was built. Dedication of the addition was in February of 1970.

Fr. Shank was assisted, following the departure of the Capuchins in 1974, by Rev. Anthony Spanley, Rev. Derrick Dudash and Rev. Gregory Holicky, in succession.

At the time of St. Michael's 100th Anniversary, the parish family numbered 734 registered households and the school enrollment was approximately 400 students.

The church, during this period, had to have tuck-pointing and other normal repairs and, in 1975, had a complete cosmetic over-haul. It was redecorated and spruced up from top to bottom and side to side. The Century Room, completed early in 1976 through

the efforts of some very dedicated and hardworking parishioners, was a tribute to St. Michael's first 100 years. St. Michael's beauty, grace and dignity, enhanced by that well-deserved project, continues to shine forth today.

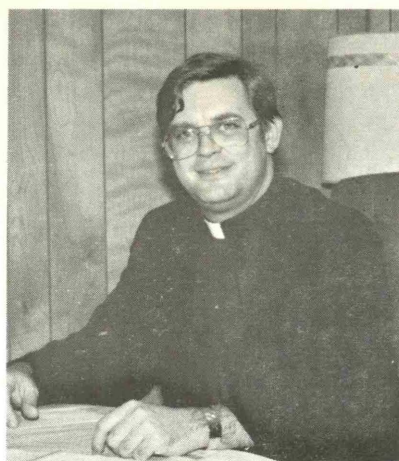

Rev. Joseph E. Vamos, a Bishop Noll Class of 1957 graduate, became the shepherd of St. Michael's in June of 1979. Rev. Roy T. Beeching, a 1966 graduate of Andrean, soon joined the parish family as Associate Pastor. Father Vamos was ordained in 1966, having completed his studies at St. Meinrad Seminary. Father Beeching attended St. Mary of the Lake Seminary and was ordained in the fall of 1974.

The few years since June 1979 have probably been the most active and expansive years in recent memory in the terms of involvement, activities and progress. A number of parish activities that were either nonexistent or stagnating are now active and successful parts of parish life. Some of these are: Christmas Bazaar, Annual Parish Dance, Las Vegas Night, Baby Jesus Birthday Party, Annual Parish Picnic and others. The major undertaking of the re-opening of the Grottos, mentioned previously, required considerable dedicated cooperation before reaching completion in 1980.

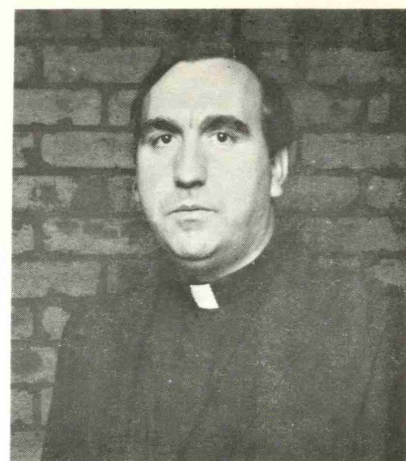

The parish had a lay church board that steered its activities for many years. Shortly after the arrival of Fr. Vamos plans were made for the forming of a new governing body, the Parish Council. The first election took place in December, 1979. This active, elected group, with its members chairing various specific action orientated committees chose as its first president, Ken Bohling.

The parish continues to have the only monthly newspaper in the diocese, *The Mike*. It has been published since 1975 and helps the parish keep abreast of upcoming and past activities involving the church, the school and individual parish members. Its most recent circulation count totaled 1433.

St. Michael's School fields athletic teams in boys basketball, girls basketball, volleyball, football and track. The trophy case in the school testifies to the accomplishments of the teams called *The Warriors*. Included in these accomplishments are two Diocesan Championships: The Class of '81 in boys basketball and a football championship in 1966.

Mount Calvary has again become an important part of St. Michael's through its use for special mass services. Memorial Day and Labor Day are among the special masses held on it. Because of the growing parish Fr. Vamos has had to add an additional mass for the 10:30 time — in the lower level of the school. St. Michael's now has a total of six masses offered at five different times covering Saturday night and Sunday morning. The nine o'clock mass as well as special masses are now enhanced by a revived and spirited adult choir.

Upon arriving at St. Michael's, Fr. Vamos realized that having the parish office in the rectory would

not suit the needs of the parish. He also deemed that secretarial help was necessary to keep up with the growing parish. Therefore, in the fall of 1979 offices were developed on the mezzanine area of the lower level of the church and a full-time secretary was employed.

The parish has recently undertaken a building project to replace the old 1916 school building with a second story to the 1968 addition. On the site of the old building it is hoped to build offices and an all-purpose social/athletic center. The second story addition has, at this time, received approval from Bishop Grutka. The second phase of the project — offices and the social/athletic center — will be determined by the ability of the parish to finance it.

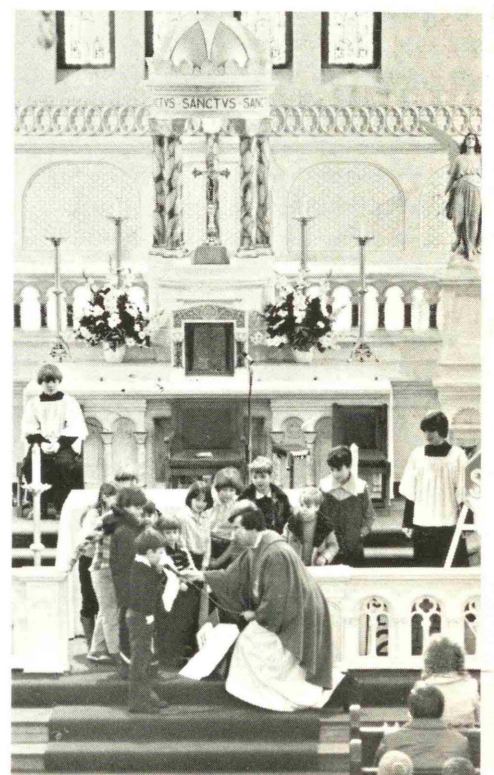

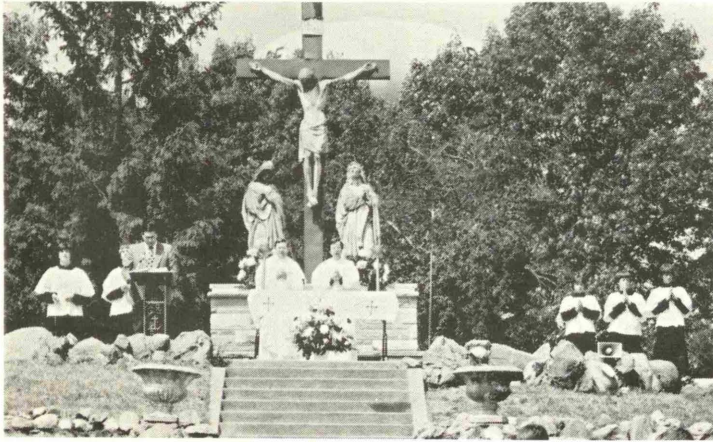

As St. Michael's reaches mid-year of 1982 the parish roll lists 1469 families and there are 391 children registered to start school in the fall at our school. In addition to our two priests, there are four nuns in our religious family.

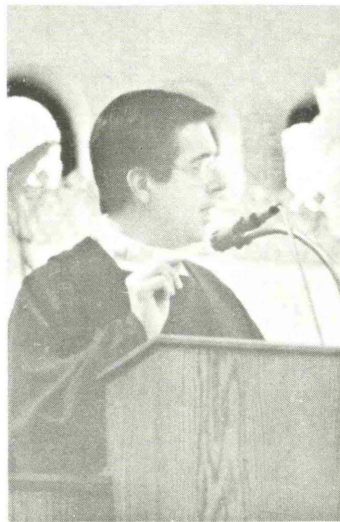

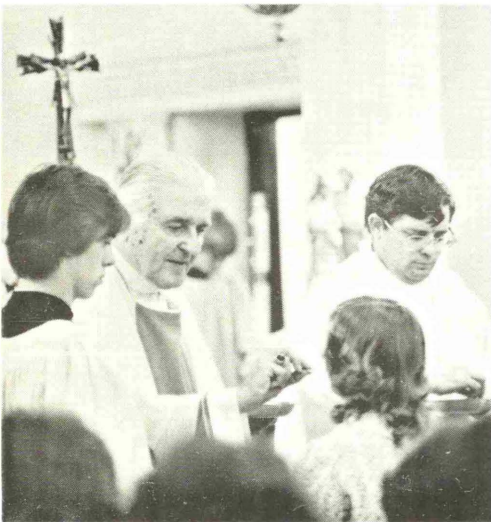

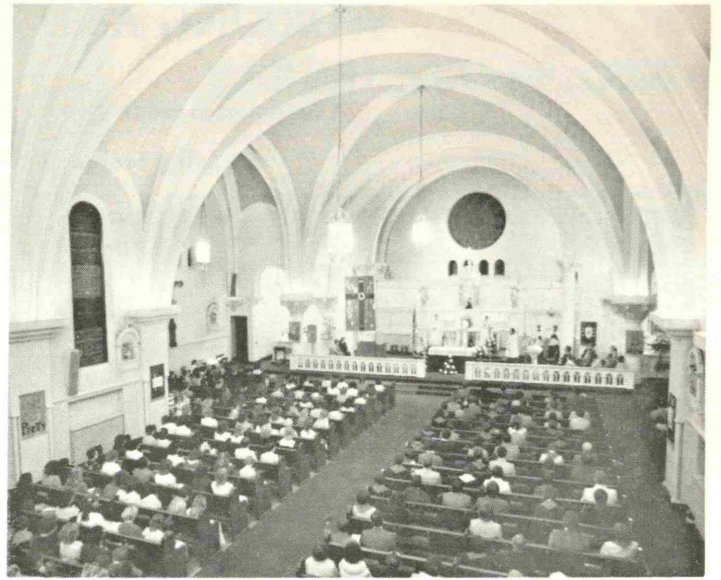

Recently, Father Roy Beeching was transferred to a new assignment in our diocese. His place at St. Michael's has been filled by Father Stanley Staniszewski, who has come to us from St. Casimir's in Hammond.

**Praying with St. Francis**

The new life of prayer and the prayers he composed are an excellent model for us. For example, he usually began with a meditation on the life and death of Christ. He then turned to the Eucharist, then to the Virgin Mary, then to the Holy Spirit, then to the angels, then to the saints, then to the poor, then to the sick, then to the dying, then to the dead. He ended with a prayer for the living and the dead.

St. Francis was a man of prayer. He was a man who knew that prayer was the key to everything. He was a man who knew that prayer was the key to everything. He was a man who knew that prayer was the key to everything.
